Education

2021 - 2025	*B.Tech in Computer Science* at	**Dr. A.P.J. Abdul Kalam Technical University**
2019 - 2020	*Intermediate* at	**Halim Muslim Inter College**

Work Experience

Front End Developer Intern, Absterge It Services Pvt Ltd - Noida   July 2024 - Aug 2024

Project-Doctro

- Developed a comprehensive healthcare platform, Doctro (React.js), with distinct user portals for doctors and patients.
- Implemented real-time functionalities including instant appointment booking, doctor/hospital search with advanced filtering, live queue tracking, and emergency SOS services (ambulance tracking).
- Designed a fully responsive, modern UI using CSS to guarantee a consistent and enhanced user experience across all devices.
- Integrated a complete telemedicine solution, offering virtual consultations, dedicated doctor profiles, and wellness tips as part of the smart health care application.

Projects

RashaShield 🔗 - *Tech stack: HTML, CSS, React.js*

- Developed RashaShield, a real-time cybersecurity tool to detect and analyze phishing and fraudulent website activities, providing immediate safety guidance.
- Integrated advanced detection algorithms to validate URLs, inspect SSL certificates, and identify suspicious patterns for effective analysis across all types of websites.
- Built a user-friendly dashboard displaying scan history and threat levels, empowering users with recommended safety actions for enhanced cyber security awareness.

Personal portfolio 🔗 - *Tech stack: React.js, Tailwind CSS*

- Built a responsive portfolio using React and Tailwind CSS to showcase projects and internship experience.

Certifications

- Frontend Development Certificate - OneRoadMap - Jan 2026
- IBM Cybersecurity Fundamentals Certificate - Aug 2025
